About Company

Originated with a HVAC , Fire & Comfort building solutions providing Company in 2006. MAGPIE GROUP today is one of the leading and fastest growing diversified business houses in the country employing over 450 peoples. Presently those early industrial ventures have moved over to businesses involving high-tech manufacturing, international trading and distribution. In recent years, MAGPIE GROUP has established a completed building and factory solutions organization in Bangladesh.

The group comprises over Four companies Magpie Electronics Ltd. Magpie International, Magpie Bazar, Chader Gari. That are operating in diversified business sectors like; Magpie Bazar, Chader Gari and so on. Pioneering the air conditioner and cooling system industries in Bangladesh, Magpie Family has been continuously exploring newer horizons each day with innovative & eco-friendly technologies.

We focus on Premium Products strategy, continuously develop and improve its competitiveness by adopting state of the art technology and ensure functional customer service. We recognize that the earth is a shared and finite resource that we all must safeguard for generations to come. It is our commitment to sustainability that drives our operations to adopt management systems and best practices that foster continuous improvement in our processes; preserving vital resources and ensuring the future of the industry.
